Title
Department

Collaborators:

month day, year
Hypothesis & Objectives

• Hypothesis

• Short-term goal

• Long-term goal

Project start date: <enter date>
Background & Significance

- 
- 
- 
- 
- 
- 
-
Key Prior and/or Preliminary Findings

•

•

•

•
Schematic/Outline of Protocol
Analysis Summary

•

•

•

•
Results Summary

•

•

•

•
Future Directions

Current Status:
Timeline and Milestones
Key Questions for the RF

•

•

•

•
Supported by

- Clinical and Translational Science Award (CTSA) program of the National Center for Advancing Translational Sciences (NCATS) at the NIH (Grant Number UL1 TR000448)

- Children’s Discovery Institute

- <insert other support>
RF-MHS Acknowledgements

Supported by

• Clinical and Translational Science Award (CTSA) program of the National Center for Advancing Translational Sciences (NCATS) at the NIH (Grant Number UL1 TR000448)

• <insert other support>
