

WASHINGTON UNIVERSITY IN ST. LOUIS

Institute of **C**linical and **T**ranslational **S**ciences

ICTS Digest: December, 2013

To: ICTS Members

The latest news from the ICTS is now posted on the ICTS website rather than through a newsletter. Periodically the **ICTS Digest** will be emailed to our members to highlight important announcements and opportunities. Let us (icts@dom.wustl.edu) know about your research successes so we can feature your work in future editions.

As you explore the [ICTS website](#), be sure to check out the latest information in these areas:

Success Stories

- Spotlight on Dr. Samuel Klein [study](#) about metabolic function and weight gain

Research Impact

- [Enhancing the Visibility and Impact of Your Research](#)

Translational Cardiovascular Biobank & Repository ([TCBR](#))

- Helpful tools and links as well as forms for requesting a service

PCORI Grant Writing Tool

- PCORI review criteria and input from ICTS members who have serviced in the PCORI review process have been used to create a [checklist](#) intended to be helpful to investigators submitting PCORI grants.

Navigation to ICTS resources

- [Personalized Consultation](#) available for ICTS members
- Electronic tool ([eNavigator](#)): investigator driven, web-based tool for education and navigation to ICTS resources

Upcoming Events/Deadlines

- December 11: [ICTS/HRPO Ethics Series Lecture](#): What Research Professionals Can Learn from Becoming Study Subjects
- December 12: BJHF/ICTS RFA Study Section
- December 16: [Introduction to Genomics in Medicine](#) – Genetic Variation and Disease
